Medical Illness Policy

One of the advantages of boarding your pet at a veterinary hospital is that veterinary attention is readily available should the need arise. If your pet becomes ill, we will call the emergency numbers listed regarding your pets symptoms, treatment options and estimate of additional costs. **If no one can be reached however, please be aware that your pet will be treated like a member of our own family and given the necessary treatment (s) and/or medicines needed to relieve immediate discomfort or to resolve an important medical condition.** We are not responsible for any lost or damaged items while your pet is here for boarding.

Diabetic Pets—Please be advised if a Doctor or Technician is called in over the weekend or after hours for your pets care, there will be an additional fee for services. _____ Owners Initial

If not up-to-date or unable to provide proof of vaccinations, I give my permission to update my pet vaccinations in accordance with hospitals policy. In addition, if any fleas/ticks are observed on your pet while boarding, he/she will receive flea treatment at owner's expense.

If your pet needs medication administered there will be an additional fee

I have read and understand this agreement. I fully intend to pick up my pet on the specified date. If circumstances change I will notify you as soon as possible.
